Name _____

	Exemplary	Proficient	Partially Proficient	Incomplete
Content	8 points The required slides have been included and contain informative facts and supporting information about the topic. <u>Every</u> slide gives the audience a <u>clear</u> sense of the project's main idea and the purpose for that specific slide.	6 points The required slides have been included and contain informative facts and supporting information about the topic. Most of the slides give the audience a sense of the project's main idea and the purpose for that specific slide.	4 points The slides contain facts and supporting information that is sometimes unclear or repetitive.	0 points The required number of slides for the project has not been included, or the slides lack clear supporting information about the topic.
Graphics (Pictures/Clipart)	4 points There are <u>many</u> good graphics in the presentation, and they are related to the content. All graphics are the appropriate size. The graphics help with the overall theme and help the audience make connections to understand the presentation.	3 points There are good graphics in the presentation, and they are related to the content. The graphics help the audience understand the content.	2 points Some of the graphics seem unrelated to the content. There are too many graphics on one page. Some of the graphics distract from the text. Some of the graphics are either too large or too small for the page.	0 points Most of the graphics did not fit with the content or there are hardly any graphics at all. Most of the graphics distract from the text. Most of the graphics are either too large or too small for the page.
Layout	4 points Layout is <u>exceptionally</u> creative and visually appealing. The fonts, color, and background all work together to provide a consistent theme and a presentation that is easy to read.	3 points Layout is creative and visually appealing. The fonts, color, and background almost provide a clear theme. It is generally an easy presentation to read and follow.	2 points Layout is visually appealing although some slides may be too cluttered or too empty. The fonts, color, and background do not necessarily provide a theme and there may be parts that are difficult to read.	0 points Layout lacks visual appeal and is sometimes too cluttered or too empty. It may be confusing at times. The fonts, color, and background do not work together well in the presentation making it difficult to read. There may be too many types of fonts, etc.
